A Good Finish For The Old Year

I just wanted to tell you the end of the story. Most of you donated gift cards along with the rest of us, to the organization, People Helping People. I was told by the directors that they were going to use our cards for the seniors that weren't going to have a Merry Christmas. I felt very glad that we contributed something that was going to good use. Also, for those of you that donated canned goods to the offices of Dr. Andy and Dr. Alan, we took all the food over to the community pantry on Pujol Street. When I got there, I noticed some good old boy scouts that I know, and I called them over to help me unpack our food. We collected a cart and a half of pantry items for them to stock. Thanks to all of you for bringing things in. And a big Thank You to our Lions Andy and Alan for letting us use their offices to collect it all. It was an inconvenience to them, but they let us use their space anyway. Thanks to all of you for doing this, we have completed our food part of the centennial journey. We will finish the environmental part later this month. Looking forward to it!

Lions Jim's Joke Corner

Door To Door

Two salesmen were going door to door, and knocked on the door of a woman who was not happy to see them. She told them in no uncertain terms that she did not want to hear their offer and slammed the door in their faces. To her surprise, however, the door did not close and, in fact, bounced back open. She tried again, really put her back into it, and slammed the door again with the same result-the door bounced open. Convinced these rude young people were sticking their foot in the door, she reared back to give it a slam that would teach them a lesson, when one of them said: "Ma'am, before you do that again you need to move your cat."
