End of the Year

It is the end of the year for Lions. But we have a new beginning in July with a new Board and fresh and exciting ideas. You will have a new bulletin editor next month and I am hanging up my computer for awhile. Lion Renee will take over the newsletter starting in July and you will be getting some interesting ideas and fantastic reporting. We will be planning a membership meeting for the fall, so be ready to invite a friend or acquaintance to attend. We need new members so let's all ask one! If you don't ask, you won't get a response.

Spoiler Alert

I hate to be the party pooper, but we need to accomplish one community clean up before the end of June to have a patch on our banner. We need to do something to fulfill the environmental section on the centennial challenge. Let's get it done guys!! Think of something we can do.

Free Ticket!

We will be giving out a free raffle ticket to any guest that you bring with you to the meeting.

We will have money for Leos next year and any suggestions for the next year's budget should be brought up at the budget meeting with Lion Carl at his Board meeting. All lions are invited to come to the Board meetings to see what is happening behind the scenes.
